| <p><b>1. I/E. BAR – NIGHT</b></p> <p>A bustling IRISH BAR.</p> <p>PATRONS laugh and enjoy their COCKTAILS.</p>                                 | <p><u>Narrator</u> (V.O.): Here on Earth, humans love getting a refreshing drink to drown out the sorrows of their day.</p> <p>However, there are a few things you must first know!</p>                       |
| <p><b>2. INT. BAR – NIGHT</b></p> <p>A HUMAN and an ALIEN enter in the b.g. and peer above the crowd — searching for the bar rail.</p>         | <p><u>Narrator</u> (V.O.): If the Bar is busy, then the Bartender does not have time to chat. Know what you want to drink before you reach the bar. Take a look at the menu, or ask for a recommendation.</p> |
| <p><b>3. INT. BAR - LATER</b></p> <p>ECU - an Alien finger points to a drink on the MENU.</p> <p>AT THE BAR - the Human nods in agreement.</p> | <p><u>Narrator</u> (V.O.): Great! You've decided upon a drink.</p> <p>Now, time to order it.</p>  |
| <p><b>4. INT. BAR RAIL - NIGHT</b></p> <p>A CROWD of PEOPLE push against the Human and squish him like a sausage.</p>                          | <p><u>Human</u>: I'll take a Guinness.</p> <p><u>Bartender</u>: I.D., please.</p>   |

| <b>5. INT. BAR - NIGHT</b><br><br>ECU - the Human pulls out a DRIVER'S LICENSE from their WALLET.          | <u>Narrator</u> (V.O.): You have to be at least twenty-one years of age in order to consume an alcoholic beverage, at least in the United States. Don't be upset if they ask for your identification, they're only doing their job.                                    |
| <b>6. INT. BAR - NIGHT</b><br><br>The Human removes a CREDIT CARD from their WALLET.                       | <u>Narrator</u> (V.O.): Once you get your drink it's time to pay! Hand the Bartender cash, or a credit card.   |
| <b>7. INT. BAR - NIGHT</b><br><br>The BARTENDER hands back the credit card receipts.                       | <u>Narrator</u> (V.O.): After the Bartender has processed your payment it's time to leave them a tip. After all, they did all that hard work and for what... nothing?!   |
| <b>8. INT. BAR - NIGHT</b><br><br>The Human and Alien cling their drinks together in a celebratory cheers! | <u>Narrator</u> (V.O.): Great! You've experienced your first drink at a bar! You learned how to select a drink, order, and pay for the drink -- including adding a tip. Next time you're at a Bar, don't forget these steps to make your encounter the best it can be! |
